MUKAILA AKEEM OLADIMEJI

nodepops.olas@gmail.com

ABOUT ME:

I am a **tech-savvy** Web developer, experienced in developing multifaceted technical solutions across a wide range software platform. I have over **5 years'** experience in full stack web architecture. I collaborate extensively with UI designers and tech teams to ascertain the company's expectations and oversee site creation from initial planning to production stage.

CORE SKILLS & STACKS :

- Skilled Full stack website developer (front end and back end)
- Stacks: **JavaScript, TypeScript, React.js, Node.js, Servlet, Express, MongoDB, PHP, Laravel, Codeigniter, Flutter, Dart, MySQL, AJAX, jQuery, MaterialUI, Bootstrap, Git, GitHub, HTML5, CSS3, Tailwind.**
- Result-oriented problem solver and creative thinker
- Effective team player with strong interpersonal skills that foster good relationship

WORKING EXPERIENCE:
